Jalan Kademangan No.12, Kademangan, Setu, Kota Tangerang Selatan, Banten.

I am a passionate Informatics Engineering student with a strong foundation in web development. My enthusiasm for information technology fuels my desire to learn and stay ahead of the curve continuously. I possess proficiency in various programming languages, with a particular focus on front-end development. My experience includes building website projects using HTML, CSS (Vanilla and Tailwind), PHP, JavaScript (Vanilla, React.js, and Next.js), Typescript, and Zustand.
